### **Year 9 Ball Bearing Game Homework Task 1**

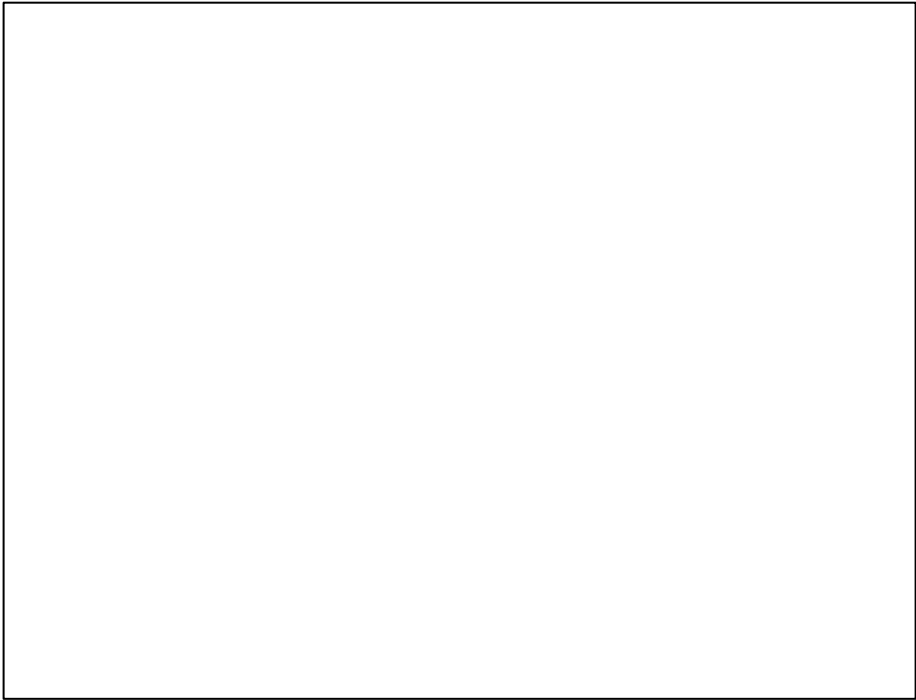

Create a health and safety leaflet for the Design Technology workshop. Your leaflet should be aimed at year 7 pupils joining the school and studying Design Technology for the first time. You must include:

- Health and safety rules.
- Reasons why each rule is important.
- Bold, bright images to attract the attention of the target audience.

Plan your leaflet in the space provided below:

Complete your leaflet design on a separate A4 Page.

*Plan your leaflet in the boxes provided:*

### **Success Criteria**

An after school detention will be issued if you fail to complete or produce poor quality homework. If you need materials/equipment to complete the homework you MUST discuss this with your teacher and parents before the hand in date.

**Please check you have completed the following before handing in your homework.**

### **Have you completed the following?**

- 1. Discussed the homework with your parents?*
- 2. Plan the layout of your leaflet into sections and steps?*
- 3. Remembered to add Equipment and Safety precautions?*
- 5. Written in your neatest handwriting?*
- 6. Check your work for grammatical / spelling errors?*
